

JOB-PORTAL ON WWW.CFA-GERMANY.DE

Are you looking for the expertise of a CFA charterholder? Then why not place your job advertisement on the CFA Society Germany's Job-Portal? This enables you to directly reach CFA charterholders in Germany; the most qualified employees in the financial industry.

The CFA Charter is internationally recognized by employers, investment professionals and investors.

CFA charterholders are committed to upholding the highest standards of ethics and professional conduct. In addition, they demonstrate extensive financial analysis skills that are most needed in today's dynamic and competitive work environment.

Stop sifting through dozens of unsuitable applications!

The advertisements on the CFA job portal can only be viewed by our more than 2,800 members, i.e. you can directly reach an exclusive selection of highly qualified applicants.

The CFA job portal has more than 2,000 visits per month. In addition, we regularly feature current job postings in our newsletters.

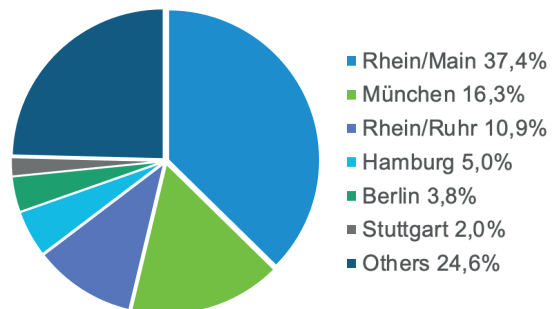

Comments from our members on the CFA Job-Portal:

"The Job-Portal focuses on a unique group of experts - if a manager is looking for this special qualification, the CFA Charter, then the CFA Job-Portal is perfect."

"For both potential employers and applicants, more search hits are possible in less time. In short: saving time is a great advantage!"
